

HARVEST RIDGE

Harvest Ridge is Ankeny's newest community nestled in central Iowa's farmland. Just minutes north on Ankeny Blvd, escape the busy noise of in-town living with this tranquil getaway.

The Harvest Ridge community centers around architectural presence, in cohesive and creative form. This exclusive community is comprised of 30 acres—including a 5-acre pond—and 50 home sites.

Our vision for this community isn't just a group of well-appointed homes, it's a sense of community, belonging, and a hope to encourage nightly front porch conversations.

Harvest Ridge's architectural planning sets a new standard for community living in Iowa. Whether you favor a Cotswold-style English cottage, a little bit of low country or prefer something with more European flair, choose your lot and build your dream home with one of the three homebuilders in the development—Oakstone Homes, Caliber Homes and Ryan Homes. Explore architectural floor plans and make it your own with a completely custom design.

Annual Dues: \$150

Irrigation required, Landscaping required

All plans and specs will be reviewed and approved by the Harvest Ridge Architectural Collective.
